

Dear Sir/Madam,

Greetings from the Department of Electrical and Electronics Engineering (EEE), SRM Institute of Science and Technology (SRMIST), Kattankulathur, India.

We are pleased to announce that the [Department of EEE, SRMIST](#), in partnership with the Department of Green Energy Technology, Pondicherry University, Pudhucherry, is organizing a National Conference on “[Intelligent Electrical Systems and Clean Technologies \(IESCTECH 2026\)](#)” during [March 12th–13th, 2026](#) at SRMIST, Kattankulathur.

This conference aims to provide a platform for researchers, academicians, and industry professionals to exchange knowledge and discuss recent developments in power electronics, renewable energy, smart grids, energy storage, and e-mobility, promoting innovation and collaboration toward sustainable and intelligent energy solutions.

➤ **Conference Themes:**

- ✓ **Power Electronics and Energy Conversion Systems**
- ✓ **Energy Storage and Electric Transportation**
- ✓ **Smart and Intelligent Electric Systems**
- ✓ **Clean and Renewable Energy Technologies**
- ✓ **Decarbonization of Power Systems and Low-Carbon Technologies**
- ✓ **Energy Policies, Economics, and Regulation**

Selected papers will be published in Scopus-indexed journals, and all accepted abstracts will be included in the conference proceedings (with ISBN). To promote research excellence, Track-wise Best Paper Awards will be presented during the valedictory session. We cordially invite you and your esteemed colleagues to submit original, unpublished research papers and encourage faculty members, research scholars, and students from your institution to participate in this prestigious academic event. Please find attached the conference brochure containing details about the conference tracks, paper submission guidelines, and important dates.

For updates and online submission, please visit: <https://www.iesctech.com>.

We look forward to your active participation and valuable contributions in making IESCTECH-2026 a grand success.

With warm regards,

Organizing Team – IESCTECH 2026

Department of Electrical and Electronics Engineering

SRM Institute of Science and Technology (SRMIST)

Kattankulathur – 603203, India

Email: iesctech.srmist@gmail.com | Website: <https://www.iesctech.com>

Chief Patrons

Dr. T. R. Paarivendhar, Chancellor, SRMIST
Dr. P. Ravi Pachamuthu, Pro-Chancellor (Administration), SRMIST
Dr. P. Sathyanarayanan, Pro-Chancellor (Academics), SRMIST
Dr. R. Shivakumar, Chairman, SRM-Trichy and Ramapuram Campus

Patrons

Prof. C. Muthamizhchelvan, Vice Chancellor, SRMIST
Prof. P. Prakash Babu, Vice Chancellor, Pondicherry University
Prof. S. Ponnusamy, Registrar, SRMIST
Prof. M. Leenus Jesu Martin, Dean, CET, SRMIST, Kattankulathur
Prof. K. Vijayakumar, Professor and Chairperson (SoEE), SRMIST, Kattankulathur

Convenors

Prof. R. Sridhar, Professor and Head, EEE, SRMIST
Prof. R. Arun Prasath, Professor and Head,
Dept of Green Energy Technology,
UNESCO Chair on Renewable & Clean Energy For Sustainable
Development, Pondicherry University

Co-Convenors

Prof. N. Chellammal, SRMIST
Dr. M. Jagabar Sathik, SRMIST
Prof. Karthik Selva Kumar, Pondicherry University

Organizing Committee Members

Prof. C. Bharatiraja, SRMIST
Prof. J. Preetha Roselyn, SRMIST
Prof. D. Suchitra, SRMIST
Prof. Jaffar Ali, Pondicherry University
Prof. P. Elumalai, Pondicherry University
Prof. P. Thilakan, Pondicherry University

Conference Secretaries

Dr. C. S. Boopathi, SRMIST
Dr. P. Suresh, SRMIST
Dr. A. Geetha, SRMIST
Prof. R. Prasanth, Pondicherry University
Prof. A. Sreekumar, Pondicherry University

Advisory Committee

Prof. Vivek Agarwal, IIT, Bombay.
Prof. K. Shanti Swarup, IIT, Madras.
Prof. S. Arul Daniel, NIT, Trichy

Prof. Kartick Chandra Jana, IIT, Dhanbad.
Prof. S. Senthil Kumar, NIT, Trichy
Prof. M. P. Selvan, NIT, Trichy
Prof. A. Kirubakaran, NIT, Warangal.
Prof. B. Venkatesa Perumal, NIT, Karnataka
Prof. S. Thangavel, NIT, Puducherry.
Prof. S S Dash, Government College of Engg., Kalahandi
Prof. Rijil Ramchand, NIT, Calicut.
Prof. Thanga Raj Chelliah, IIT, Roorkee.
Dr. Altaf Q H Badar, NIT, Warangal
Prof. B. Chitti Babu, IIITDM, Kancheepuram
Prof. K. Vijayakumar, IIITDM, Kancheepuram
Prof. P. Somasundaram, Anna University, Guindy

For further communications, Contact

Dr. C. S. Boopathi - 90475 16228
Dr. A. Geetha - 98844 29825
(iesctech.srmist@gmail.com)

Important Dates

Call For Paper	01st Oct 2025
Final Submission Deadline	31st Dec 2025
Acceptance Notification/ Open For Registration on Camera Ready paper / Final Registration	21st Jan 2026
	15th Feb 2026

Awards

The awards will be given for the best oral and poster
Presentations

SRM
INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

NATIONAL CONFERENCE ON INTELLIGENT ELECTRICAL SYSTEMS AND CLEAN TECHNOLOGIES IESCTECH 2026

12th & 13th March 2026

(Hybrid Mode – applicable to participants except
those from Tamil Nadu and Puducherry)

unesco
Chair on renewable and clean energy
for sustainable development

Organised by
Department of Electrical and Electronics Engineering
SRM Institute of Science and Technology
Kattankulathur
and

In partnership with
Department of Green Energy Technology
Pondicherry University

About SRMIST

SRM Institute of Science and Technology (SRMIST), formerly known as SRM University, is a top-ranked, multi-disciplinary private university located on a lush, green 380-acre campus along National Highway NH45 on the outskirts of Chennai, India. Established in 1985 by Founder-Chancellor Dr. T. R. Paarivendhar, SRMIST has grown into a globally recognized centre of excellence in Engineering, Management, Medicine & Health Sciences, Science & Humanities, Agriculture, and Law. With campuses in Kattankulathur, Ramapuram, Vadapalani (Chennai), Tiruchirappalli, and Modinagar (Ghaziabad), SRMIST is home to 52,000+ students and 3,200+ faculty members, offering a vibrant and diverse academic environment. It offers a wide range of undergraduate, postgraduate, and doctoral programs in Engineering, Management, Medicine & Health Sciences, Agriculture, Law, and Science & Humanities. Accredited with NAAC 'A++' Grade in the year 2024 and granted Category I University status by UGC-MHRD, SRMIST is consistently ranked among the top universities in India and features in QS World and Times Higher Education Rankings. The institute is known for its global collaborations with over 250 leading international universities, state-of-the-art infrastructure, over 120 advanced research centers, a thriving start up ecosystem.

Vision of the Institute

To emerge as a World - Class University in creating and disseminating knowledge, and providing students a unique learning experience in Science, Technology, Medicine, Management and other areas of scholarship that will best serve the world and betterment of mankind.

Mission of the Institute

- MOVE UP through international alliances and collaborative initiatives to achieve global excellence.
- ACCOMPLISH A PROCESS to advance Knowledge in a rigorous academic and research environment.
- ATTRACT AND BUILD PEOPLE in a rewarding and inspiring environment by fostering freedom, empowerment, creativity and innovation.

About the department of EEE, SRMIST

The Department of Electrical and Electronics Engineering (EEE), established in 1992, offers Undergraduate (UG), Postgraduate (PG), and Doctoral (Ph.D.) programs. Since its inception, the department has been committed to academic excellence, cutting-edge research, and industry collaboration. With a strong focus on state-of-the-art infrastructure and faculty expertise, the department continues to nurture talent and drive innovation in diverse domains of Electrical and Electronics Engineering. The flagship B.Tech. Electrical and Electronics Engineering program at the Kattankulathur campus is accredited by the Engineering Accreditation Commission (EAC) of ABET (<https://www.abet.org>) and the National Board of Accreditation (NBA), India.

The Department of Electrical and Electronics Engineering (EEE) is driven by a team of 57+ highly qualified faculty members with expertise in power electronics, energy systems, control engineering, electrical machines, renewable energy, and emerging technologies. Supported by

state-of-the-art research laboratories and strong industry collaborations, the department has earned national and international recognition. Its achievements include the AICTE-CII Award for Best Industry-Linked Institute in Electrical Engineering and Allied Category (2019–2020) and a strong presence in the QS World University Rankings (301–350 band in Engineering). Ranked 10th in India and 2nd among private institutions, the department continues to demonstrate leadership in education, research, and global engagement.

About the Department of Green Energy Technology, Pondicherry University

Established in 2010 as a Centre under the aegis of the Madanjeet School of Green Energy Technologies, the unit was elevated to the Department of Green Energy Technology in 2020. The Department envisions promoting education and research in environmentally sustainable methods of energy production, conservation, and utilization.

It offers a M.Tech. in Green Energy Technology, partly supported by the South Asia Foundation (SAF), and also facilitates Ph.D. research in renewable energy and related domains. The Ministry of New and Renewable Energy (MNRE) has recognized and approved the department as a nodal centre for its contributions in this field.

Research activities encompass diverse areas of clean energy production, conversion, and utilization, including solar photovoltaic and thermal systems, energy storage, fuel cells, biofuels, wind and ocean energy, chemical energy systems, and nanotechnology-based energy applications. The Department is supported by a team of well-qualified faculty engaged in teaching, consultancy, and cutting-edge research.

To strengthen industry-academia collaboration, the Department has established MoUs with several alternative energy firms specializing in photovoltaic and solar-thermal technologies. Additionally, new partnerships with industries in solar thermal devices and power plant engineering are currently in progress.

Scope of the Conference

The National Conference on Intelligent Electrical Systems and Clean Technologies (IESCTECH 2026) provides a forum for researchers, academicians, and industry professionals to share advancements in power electronics, renewable energy, smart grids, energy storage, and e-mobility. It promotes innovation and collaboration towards intelligent and sustainable energy solutions. Original, unpublished research papers within the conference themes are invited for presentation and possible publication in reputed journals and proceedings.

Conference Themes

- Power Electronics and Energy Conversion Systems
- Energy Storage and Electric Transportation
- Smart and Intelligent Electric Systems
- Clean and Renewable Energy Technologies
- Decarbonization of Power Systems and Low Carbon Technology
- Energy Policies, Economics and Regulation Policies

Submission guidelines

Papers submitted must be original, unpublished, and with plagiarism below 15%, for which authors bear full responsibility. Submissions should be in both MS Word and PDF formats, and acceptance will be notified via email. Only papers presented at the conference will be considered for publication, and the journal template can be downloaded from the conference website. Full papers should be submitted to iesctech.srmist@gmail.com.

Registration information

It is mandatory for at least one author of an accepted paper to register for the paper to appear in the conference proceeding. Co-authors / attendee must register by paying the registration fee, in case they want to attend and get presentation certificate as conference delegate. No TA/DA will be provided. The registration fee is non-refundable in case of cancellation or non-attendance. The application should be made using the registration form and should accompany registration as given below

Category of the Participants	Late/ Spot Registration
Faculty/ Industry	INR 3300
Research Scholar	INR 2200
UG/ PG Students	INR 1100
Attendee/Accompanying person	INR 500

Registration Charges

Bank Details

Account Number :117001001672075
Beneficiary Name :SRMIST EIE Association
Bank Name :City Union Bank, Tambaram
Extn., Kattakulathur
IFSC Code :CIUB0000117

Scan to Register

- Selected papers may be published in Scopus-indexed journals, with Article Processing Charges (APC) potentially applying.
- Other selected articles will be published in the journal, Frontiers of Multidisciplinary Research (FoMR).
- Conference abstracts will be included in the official Proceedings, which will have ISBNs.
